

Dance: Year 7 Transition- Knowledge Organiser

What do I need to remember for my dance lessons?

In dance pupils wear their...

PE Kit (shorts and PE top).

Pupils may however wear...

- **black jogging bottoms or**
- **black leggings**

If for some reason your PE kit cannot be worn (e.g. it needed washing after PE and hasn't dried in time) you can bring...

- **A change of top and bottoms that is suitable for dance.**

We do dance in **bare feet** and so you do not need to bring socks or trainers for dance.

You will have one dance lesson every week!

Please remember your kit! If you are injured please ask your parent/ carer to write you a note- you will then help other pupils by working as a choreographer.

We learnt all of this in our first dance lesson!	
Terminology	Definition
Choreography	The art of making a dance
Performance	Showing a dance to an audience
Appreciation	Talking or writing about dances we have performed or watched.
Travel	Movements that take the body through the space to another location.
Gesture	Movements which bare no weight.
Turn	Movements rotating around a fixed axis
Jump	Movements that propel the body into the air.
Stillness	Holding a position to emphasise it to the audience.
Challenge task terminology: Can you remember the following if you completed the challenge task?	
Canon	Performing the same movement or sequence of movements in succession.
Levels	High, medium and low- our dances are more interesting if we use a variety of levels!
