

Sing When You're Winning

Overview

- The voice is an instrument! In this unit, you will explore how we sing in a variety of settings, including solo, ensemble, duets.
- You will explore vocal techniques.
- You will consider how to perform as a singer and why image is important in the music industry.
- You will perform with other class members throughout the unit.

Key Words

- **Projection** – filling a space with sound
- **Melody** – the tune
- **Pitch** – how high or low a note is
- **Lyrics** – the words to a song
- **Harmony** – singing a note that blends with the melody note
- **Phrasing** – a musical 'sentence'
- **Ensemble** – a group of musicians

Musicians we explore in this unit:

- Ed Sheeran
- Imagine Dragons

Imagine Dragons

Homework

- Although your teacher will set specific homework tasks, all Year 7 pupils are welcome to come and practise your performance work at lunchtimes in the Music Room (CZ1). Please speak to your teacher to arrange this.
